

## **Young Vista crusader hosts party with a purpose**

Seven-year-old Taylor Crabtree of Vista tries on sunglasses decorated by a volunteer at Taylor's painting and pizza party Saturday at Cal State Marcos. Taylor is president and CEO of TayBear Co., and the event, her most ambitious endeavor yet, was a party with a purpose. The hair clips, glasses and picture frames will be sold by Taylor's company and the profits used to buy teddy bears for patients with cancer and blood disorders. Left, 8-year-old Megan Gidley of Vista decorates a ponytail holder. For information about where to buy TayBear products or to volunteer, call (760) 940-9302.
